

## **VRINGO PROVIDES SCHEDULING UPDATE ON GERMAN HEARING IN ZTE LITIGATION**

October 10, 2013

### **INFRINGEMENT HEARING IS NOW SCHEDULED FOR NOVEMBER 12, 2013**

NEW YORK - October 10, 2013 - Vringo, Inc. (NASDAQ: VRNG), a company engaged in the innovation, development and monetization of intellectual property and mobile technologies, today provided a scheduling update on litigation between its wholly owned subsidiary, Vringo Germany GmbH, and ZTE Corporation, China and its German subsidiary, ZTE Deutschland GmbH (ZTE), in Germany.

On October 9, 2013, Vringo was notified that the hearing on infringement that was scheduled for October 15, 2013 will now take place on November 12, 2013.

The pleadings, filed in the District Court of Mannheim, alleges infringement of the German part of European Patents 1,186,119 and 1,212,919. Declarations have been filed at the European Telecommunications and Standards Institute (ETSI) that cover the patents. ZTE's accused devices are believed to fall within the scope of the patents.

According to the complaint, Vringo is seeking injunctive relief, rendering of accounts, and damages.

#### **About Vringo, Inc.**

Vringo, Inc. is engaged in the innovation, development and monetization of intellectual property and mobile technologies. Vringo's intellectual property portfolio consists of over 500 patents and patent applications covering telecom infrastructure, internet search, and mobile technologies. The patents and patent applications have been developed internally, and acquired from third parties. Vringo operates a global platform for the distribution of mobile social applications and services. #### **Forward-Looking Statements**

This press release includes forward-looking statements, which may be identified by words such as "believes," "expects," "anticipates," "estimates," "projects," "intends," "should," "seeks," "future," "continue," or the negative of such terms, or other comparable terminology. Forward-looking statements are statements that are not historical facts. Such forward-looking statements are subject to risks and uncertainties, which could cause actual results to differ materially from the forward-looking statements contained herein. Factors that could cause actual results to differ materially include, but are not limited to: our inability to license and monetize our patents, including the outcome of the litigation against online search firms and other companies; our inability to monetize and recoup our investment with respect to patent assets that we acquire; our inability to develop and introduce new products and/or develop new intellectual property; new legislation, regulations or court rulings related to enforcing patents, that could harm our business and operating results; unexpected trends in the mobile phone and telecom infrastructure industries; our inability to raise additional capital to fund our combined operations and business plan; our inability to maintain the listing of our securities on NASDAQ; the potential lack of market acceptance of our products; potential competition from other providers and products; our inability to retain key members of our management team; and other risks and uncertainties and other factors discussed from time to time in our filings with the Securities and Exchange Commission ("SEC"), including our annual report on Form 10-K for the year ended December 31, 2012 filed with the SEC on March 21, 2013. Vringo expressly disclaims any obligation to publicly update any forward-looking statements contained herein, whether as a result of new information, future events or otherwise, except as required by law.
