

XpresSpa Partners with Dermalogica, LLC to Introduce Premium Skin Care Services and Products to XpresSpa Stores

December 13, 2017

First time that exclusive menu of Dermalogica products and services—exclusively tailored to XpresSpa—will be available in airports

NEW YORK, Dec. 13, 2017 (GLOBE NEWSWIRE) -- XpresSpa, the industry-leading luxury airport spa company and a wholly owned subsidiary of FORM Holdings Corp. (Nasdaq:FH), announced its partnership with leading skincare company, Dermalogica, to introduce an exclusive menu of premium skin care products and services—designed exclusively for XpresSpa—to XpresSpa stores nationwide

The rollout of Dermalogica products will start with seven locations in the United States, including New York's John F. Kennedy International Airport Terminals 1 and 4, Orlando International Airport Terminal 4, Hartsfield-Jackson Atlanta International Airport Concourse A, Charlotte Douglas International Airport Concourse A/B, Houston's William P. Hobby Airport, and Denver International Airport. Starting in early 2018, all XpresSpa locations in the United States will start to feature Dermalogica's premium retail products as a complement to XpresSpa's existing suite of travel and wellness product offerings. XpresSpa will introduce three new exclusive facial treatments to a select number of its stores by the end of 2017, with a full roll out of spas in the first quarter of 2018. All XpresSpa licensed technicians performing Dermalogica services, will receive training from Dermalogica's Education program.

XpresSpa, in partnership with Dermalogica, will offer the following proprietary services:

- **Xpres 15-minute Facial with FaceMapping® and Facefit:** A customized facial is designed based on proprietary FaceMapping® skin analysis results. FaceMapping skin analysis reveals your true skin type and possible underlying causes of skin conditions, such as breakout activity, dehydration, sensitivity and/or uneven skin tone.
- **Xpres 20-minute Facial with Refresh & Relax Focus:** This refreshing and relaxing facial includes Double Cleanse, Touch Therapy and Dermal Layering treatments.
- **Xpres 30-minute Facial with Hydration Boost:** For a hydration boost, this facial includes a Double Cleanse, Resurfacing, Deep Treatment and Dermal Layering.

"We are ecstatic to partner with Dermalogica, the leading skincare brand in professional spas and salons worldwide, and join them on their mission to redefine efficacious skincare," said Ed Jankowski, CEO of XpresSpa. "Dermalogica and XpresSpa have designed the proprietary services with our mission of providing premium services to the busy, traveling customer in mind, and we look forward to delighting our clients with Dermalogica's highly-acclaimed products and services."

"We are thrilled to have the opportunity to bring Dermalogica's signature concepts and services to the on-the-go traveler, whatever their skin needs may be," said David Goldstein, US General Manager of Dermalogica. "Whether they're looking to achieve a fresh glow or boost skin with much needed hydration, XpresSpa through its Dermalogica trained Professional Skin Therapist will now be their go-to destination for all skin health needs."

About Dermalogica

Dermalogica® revolutionized the skin care industry when it emerged into the marketplace in 1986 with innovative formulations, which excluded common irritants, including SD alcohol, lanolin, mineral oil and artificial colors and fragrances. Jane Wurwand developed the products to better support the advanced curriculum she had developed a few years earlier for The International Dermal Institute, which she also founded. Dermalogica® today is sold in more than 80 countries worldwide. Dermalogica products are available in select skin treatment centers on the recommendation of a qualified professional skin therapist in addition to the brand's concept spaces located around the world and online at Dermalogica.com. Dermalogica® is made in the USA, with its global operations based in Carson, just south of Los Angeles. To learn more about Dermalogica®, please visit dermalogica.com.
