ON GLOBAL ENFORCEMENT ACTIONS IN QUARTERLY REPORT**

NEW YORK — May 8, 2014 — Vringo, Inc. (NASDAQ: VRNG), a company engaged in the innovation, development and monetization of intellectual property, today announced operating results for the quarter ended March 31, 2014 and filed with the Securities and Exchange Commission its Quarterly Report on Form 10-Q, which contains a comprehensive overview of the Company's global intellectual property enforcement and licensing activities.

Operating Results for the Quarter Ended March 31, 2014

- § As of March 31, 2014, we had approximately \$27.8 million of cash. We expect these funds will be sufficient to support our current operations and allow timely execution of our current business plans.
- § During the quarter ended March 31, 2014, net cash provided by the exercise of warrants and options totaled approximately \$2.8 million.
- § Our net loss from continuing operations was approximately \$10.9 million (including non-cash expenses of \$4.7 million) for the quarter ended March 31, 2014, mainly attributable to the following expenses:
 - o Operating legal costs of \$4.6 million, mainly in connection with ongoing litigations against ZTE Corporation, Google, Inc., ASUSTeK Computer, Inc., and certain of their affiliates and customers, and other planned enforcements of our intellectual property.
 - o General and administrative and other expenses of \$1.9 million.
 - o Non-cash expenses of \$4.7 million relate to equity-based compensation, valuation of our derivative warrant liabilities, and amortization of our patents.
- § On February 18, 2014, we closed the sale of our mobile social application business to Infomedia Services Ltd. ("Infomedia") in exchange for an equity stake of approximately 8% of Infomedia.
- § On a per share basis, our total net loss (from both continuing and discontinuing operations) was \$0.13 per basic share, which is lower than the net loss of \$0.15 per basic share reported by the Company for the quarter ended March 31, 2013.
